CANDIDATES WITH DISABILITIES

Kings PA has an equal opportunities and disability policy which is designed to enable access to the curriculum regardless of sex, sexual orientation, marital status, religion, socio-economic background, colour, race, nationality, ethnic origin, sensory or physical disability.

Dance is a precise physical art concerned with shape, line, co-ordination, musical and performance qualities. It is within these parameters that Kings PA welcomes candidates with disabilities to audition for a place. It is recognised that some candidates with a disability who are entered for audition may need extra time or support to enable them to perform to the best of their ability and, if possible, Kings PA will make the appropriate arrangements. It is, however, emphasised that all candidates will be assessed against the same criteria.

A parent/guardian/teacher of a candidate must inform Kings PA of any special arrangements needed prior to audition either on the application form or by letter. If there is any doubt about a student's ability to fulfil the assessment criteria for audition, please contact the college for advice.

Please tell us how you heard about Kings PA
